

ONE YEAR AGREEMENT

THIS AGREEMENT is made as of January _____, 2015, by and between the Manchester School District (“Manchester”) and the Hooksett School District (“Hooksett”).

WHEREAS, Manchester and Hooksett (the “Parties”) were parties to a 20-year High School Maintenance Agreement dated July 1, 2003 (the “Original Agreement”) under which Hooksett has been sending its public high school students to Manchester high schools;

WHEREAS, the Parties entered into a Settlement Agreement dated June 30, 2013 (“the Settlement Agreement”) to resolve various disputes under the Original Agreement;

WHEREAS, the Settlement Agreement is due to expire at the end of the 2017-2018 School Year; and

WHEREAS, the Parties have unsuccessfully attempted to negotiate a long-term agreement under which Hooksett can continue to send its public high school students to Manchester high schools beyond the end of the 2017-2018 School Year;

NOW, THEREFORE, the Parties agree as follows:

1. Hooksett students wishing to enter Manchester high schools as freshmen in the 2015-2016 School Year shall be entitled to do so and to complete their Senior Year at Manchester high schools in the 2018-2019 School Year.

2. Hooksett shall pay to Manchester annual tuition for each Hooksett student beginning their Senior Year during the 2018-2019 School Year at a Manchester high school based on Manchester’s actual cost per student for that School Year (as determined by DOE – 25 and consistent with Manchester’s past practice) plus 10%.

3. Hooksett shall not pay any “continuing capital cost obligation amount” for the 2018-2019 School Year; but the Parties acknowledge that capital costs remain an item for negotiation in any future short term or long-term agreement between the Parties.

4. For students identified with education disabilities under the IDEA, special education tuition rates will be developed as they have been under paragraph 12 of the Original Agreement throughout the term of this One Year Agreement.

5. All other terms and conditions of the Settlement Agreement not expressly addressed herein remain in full force and effect during the term of both the Settlement Agreement and this One Year Agreement.

6. In view of the 100-year relationship between Hooksett and Manchester, the Parties agree to in good faith negotiate in a timely manner a successor long-term agreement to

allow Hooksett students to continue to attend Manchester High Schools following the expiration of this Agreement on June 30, 2019.

7. This Agreement is subject to the approval of the Manchester Board of School Committee and the Hooksett School Board.

IN WITNESS WHEREOF, the Parties hereto have set their hands and seals as of the date written above. This Agreement may be executed in multiple counterparts. Each of which shall be considered an original.
